## SIMICART USER GUIDE SERIES How to Install SimiCart

**PART I: INSTALL THE CONNECTOR** 

**SimiCart** – **Configure the connector** Copyright (c) 2016 www.simicart.com **Email:** support@simicart.com **Skype:** simicart\_support After purchasing SimiCart and logging in your account, click on **App Management** to go to dashboard. To start, on the navigation bar, you click on **Integration**. The connector needs to be installed in the Magento backend to synced your app and you website. If you are familiar with installing extensions for Magento sites, then it should not be a problem to install the connector.

## Steps to install SimiCart Connector

 Download the SimiCart Connector by clicking <u>https://goo.gl/UFahIE</u>. Go back to you SimiCart dashboard: Integration/Secret Key. Save the Secret Key to be used later on and enter your website URL to the Store URL box.
