

SIMICART USER GUIDE SERIES

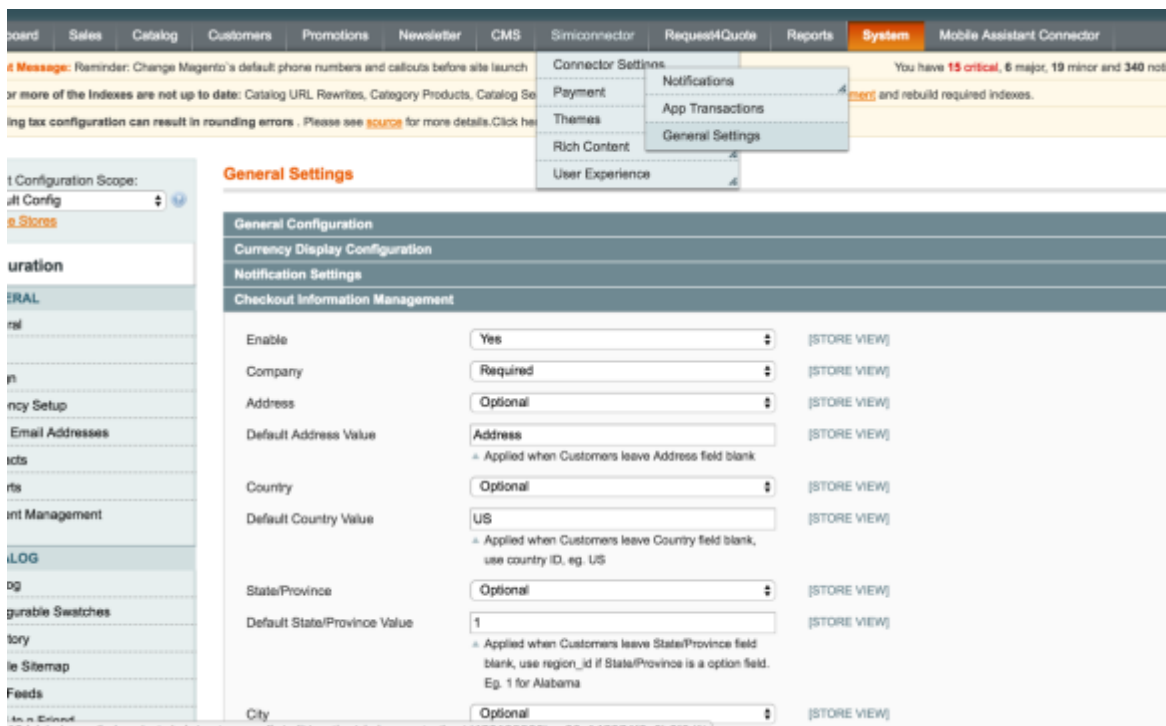

How to Configure SimiCart Extensions

CONFIGURE CHECKOUT INFORMATION MANGEMENT

HOW TO CONFIGURE AND MAKE IT WORK

1. Login to your Magento Backend. Locate to **Simiconnector/Connector Settings/ General Settings/ Checkout Information Management**
2. In this Section, all of your settings will be shown on the app the same as on your web store, via related fields like **Show Company, Show Address, Show Country to Show Tax/VAT Number and Show Gender**. You can also set how these fields will be display with 3 options: **Required, Optional or Hide (disable the field)**.

3. You need to save the setting and everything will be updated in the Applications
4. Term and condition is also part of the Checkout management. Locate to **Simiconnector/Connector Settings/ General Settings/ Term and Condition**
 - **Show Terms and Conditions:** Choose to Yes or No to show Term and condition

- **Terms and Conditions Title:** the title to be display for your end user. (Terms, Notes, Shipping guides.. etc)
- **Terms and Conditions Content (HTML):** create a HTML version of your terms and conditions here so that it will be display in app perfectly.

The screenshot displays the SimiCart admin dashboard. At the top, there is a navigation menu with tabs: Dashboard, Sales, Catalog, Customers, Promotions, Newsletter, CMS, Simiconnector, Request4Quote, Reports, and System. Below the menu, there are several warning messages: 'Latest Message: Reminder: Change Magento's default phone numbers and callouts before site launch', 'One or more of the Indexes are not up to date: Catalog URL Rewrites, Category Products, Catalog Se', and 'Warning tax configuration can result in rounding errors . Please see source for more details.Click he'. A sidebar on the left contains a 'Current Configuration Scope' dropdown set to 'Default Config' and a 'Manage Stores' link. Below this is a 'Configuration' menu with sections for 'GENERAL' (General, Web, Design, Currency Setup, Store Email Addresses, Contacts, Reports, Content Management) and 'CATALOG' (Catalog, Configurable Swatches, Inventory, Google Sitemap). The main content area is titled 'General Settings' and includes a sub-section for 'Terms and Conditions'. This section contains three configuration items: 'Show Terms and Conditions' (set to 'No'), 'Terms and Conditions Title' (set to 'Glenn'), and 'Terms and Conditions Content (HTML)' (containing a complex HTML snippet with absolute positioning and background colors). Each item has a '[STORE VIEW]' link to its right. At the bottom of the main content area, there is a link for 'Instant Contact Configuration'.
